About testing-1

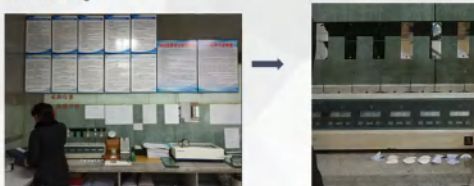

This is our laboratory to do pulling test of glue

Using this machine to do pulling test

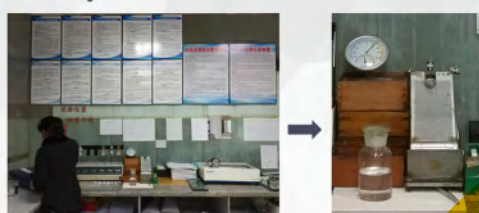

We test a suitable result, to make sure a good sense when customer tear the film out of backing paper.

About testing-2

This machine is to test the endurance of glue.
If the endurance better, the persistence to cover with book is longer

About testing -3

Our glue is repositionable within couples of hours. This test is to choose a best glue weight.
